Trails Open

Ontario Hiking Week

October 1st to 7th is Ontario Hiking Week. It is set at this time for several good reasons. The outdoors in early fall is a delight for the senses. The colours of the changing leaves, fall wild flowers, waters and sky, rocks and fields are never more brilliant or varied. For event listings and more information on Hike Ontario, the province's most valuable support resource for hiking and walking groups and pedestrian trail users, visit their website at www.hikeontario.com.

Specatular Lookouts

Ontario's Conservation Areas have a wide range of natural and man-made lookouts, many of which offer spectacular views or a chance to peek at nature. For a list of our most spectacular lookouts visit the [Stories to Tell](#) page of our Conservation Areas Search Website.

Sheffield Conservation Area, Quinte Conservation

Impressive Waterfalls

From north to south and east to west, Ontario's Conservation Areas boast some of the province's most impressive waterfalls. If you want to feel your heart race as you stand at the edge of a thundering waterfall, visit the [Stories to Tell](#) page of our Conservation Areas Search Website to find a list of our most impressive waterfalls.

Spencer Gorge Conservation Area, Hamilton Conservation Authority

Educational Features

Feel like getting the kids out of the house for a little fresh air, exercise and a dose of fun facts? Ontario's Conservation Areas not only provide a great place to Step into Nature, many also offer heritage features such as pioneer villages, museums and hiking trails with interpretive signs that provide information on natural features, wildlife, species at risk and the importance of protecting water. For a list of some of Ontario's Conservation Areas with excellent educational features, visit the [Stories to Tell](#) page of our Conservation Areas Search Website.

Eau Claire Gorge Conservation Area, North Bay-Mattawa Conservation Authority
